\* Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness

\*\* As we smoke our chicken at a lower temperature for a long period of time, the myoglobin doesn't fully break down. This can create a pink tinge to the meat - the same reaction that causes the smoke ring you see on our brisket and ribs. We temp all our chickens to insure they are at least 165 degrees before they get to you. (V)(G) Items marked with V are vegetarian and Items marked with G are gluten free. Labeled sandwiches are gluten free with gluten free bun. GF buns available on all sandwiches for an additional 1.99. Vegetarian and gluten free items are prepared in shared areas and cooked in common equipment including fryers. v14 Menu subject to change, see website for most recent version, all sauces and rubs are GLUTEN FREE. 18% gratuity added to parties of eight or more.
